

OCA international - NEW for 2019/20

In this upcoming season we are launching our first ever international team to travel to competitions outside of the UK.

In 2020 we are planning to attend 'FC Brings It On' in Disneyland Paris as our first International competition. The team will also attend regional ICE competitions and one other to be confirmed competition. As you can imagine there will be additional costs associated with this team, therefore there will be both a parents meeting and separate try outs for athletes wishing to be considered.

There is currently no minimum requirements for this team, levels and cheerleaders will be chosen based upon skills shown during try outs, as well as their training attitude, attendance and punctuality during Season 4. Please note, not all cheerleaders who try out for this team will be guaranteed a position, the group selected will be chosen by the coaches.

Minimum Age: 8 by December 31st 2019.

A deposit of £50 per person is due upon acceptance of this team to confirm their attendance to Paris. Cheerleaders who accept a place on this team must be available for ALL training sessions on the dates shown below. Any cheerleaders who misses a session will automatically lose their place and forfeit their deposit. For those who are ill/injured attendance will be expected in order to learn choreography as training time is limited.

The minimum cost for this team is £220 which include team entry for Paris competition and park passes. In addition to this will be accommodation and travel for Paris. The costing options will be explained in detail at the parents meeting before try outs. OCA International will also be getting the a new OCA uniform. Fundraising opportunities will be made available throughout the season for this team, athletes who attend these opportunities will benefit from the funds raised.

Cheer 'Brings it On' Disney Performing Arts Pre-Parade

A highlight of the Cheer 'Brings it On' weekend! The routine will be specially prepared by Disney® Choreographers bringing everyone together for a final magical experience. We will be sent the music and choreography to audition for this great opportunity for performers aged 8 years and over to take part in the Cheer 'Brings it On' Disney Performing Arts Pre-Parade before thousands of people along Main Street in the Disneyland Park. The Pre-Parade itself typically takes place late afternoon on the Sunday of the event (subject to change), we would therefore recommend you do not consider any return travel plans departing Disneyland Paris before 7:00pm in order to ensure there is no time conflict. We will have to have practiced and video performed the parade routine before December 2019 to confirm our place in the Parade.

Travel
